### Venue Focus - Oxley

Every Wednesday night at Oxley Bowls Club you will find a dedicated group of walking football guys and gals, ranging in ages 40 - 78, playing 1 1/2 hours of high intensity, good clean football on a grass pitch.

When Oxley first opened some 4 years ago we had 2 fields in use, one for grassroots and one for our more energetic. Since Covid and the flood last year, attendance has changed drastically due to people moving and others finding travel from the northside too difficult on a Wednesday evening.

2023 has already seen the return of 12 - 18 regular players (some being shift workers). We have been able to organise WFB Oxley shirts for the players at a cost of \$40 each. We are looking at recruitment over the next couple of months and also helping organise the annual Jamboree Cup (Postcode Playoff) with local councillor, Cr Sarah Hutton, for later in the year.

At the end of each Wednesday night's session we head indoors to refresh ourselves with a drink from the bar and on special occasions some food or cake. This is where we discuss the night's play, what's happening in English football or elsewhere, and any up-coming events. So if you can spare the time come for a visit or a game or two
